

Mathematics 2024 Summer Advising

JESSICA HURDUS & ERIC UFFERMAN

MATHEMATICS FACULTY, ACADEMIC ADVISORS

summeradvising@math.vt.edu

Quick Notes

- Check your VT email!
- Report **all** transfer credit and potential transfer credit (including AP/IB/CLEP/Cambridge/DE)
- Review all information on right-hand side of math.vt.edu/summeradvising
 - Computer Requirements
 - Progress to Degree Rules
 - Sample 4-Year Course Plans & Math Major Handbook
 - First-Year Pathways Courses

Next Steps

1. If you have not already done so, complete the 3 steps below at math.vt.edu/summeradvising

Final Preparations for Your Academic Advising Appointment

Once you have completed the six action items in the table above, there are just a few things left to do to prepare for your advising appointment.

1. Create Your FERPA Self-Passcode	+
2. Watch Four Short Videos (about 15 mins total)	+
3. Review Your Personal Advising Note in Navigate	+

2. Adjust your fall course schedule as needed *[details follow]*
3. Final schedule review by Jessica or Eric *[details follow]*
4. Exit Form

Resources for Adjusting Your Schedule

math.vt.edu/summeradvising

1. In [Hokie Scheduler](#), review the fall courses for which you are already registered and compare them with the recommendations in your [personal Navigate advising note](#).
2. Adjust as needed using:
 - [Hokie Scheduler tutorials](#) (scroll down to Hokie Scheduler section)
 - [Sample 4-Year Course Plans](#) (Fall Year 1)
 - [Math Major Guide for Choosing First-Semester Courses](#)
 - [First-Year Pathways Course List](#) (starting point for choosing first-year Pathways General Education courses).
 - Check the sample 4-year course plan attached to your personal Navigate note to make sure that you're not repeating Pathways credit you might already have.

Your Schedule Must Have 14-17 Credits

- Full-time student status = 12 credits
- Average number of credits per semester to reach 120 total credits and graduate in 4 years = 15 credits
- 14 credits: cannot drop a 3-credit or 4-credit course and remain a full-time student
- 17 credits: generally high for first semester, depends on the individual schedule and set of classes
- 15 or 16 credits is most ideal!

Breakout Rooms

Personal Breakout Room (Labeled by Last Name)

- Questions asked here are in a private space
- Individual academic planning conversations
- Move here to signal a question for Jessica/Eric

Group Working Room

- Questions asked here are in a group setting
- Working space
- Move back here when finished in Personal Breakout Room

IMPORTANT: DO NOT click "leave room" or you will be lost in Zoom space!
