

DO YOU LOVE DATA ANALYTICS OR WANT
TO LEARN ABOUT DATA ANALYTICS?

APPLY TO LIVE IN THE IMPACT LLC NEXT YEAR!!

ABOUT US

The Impact Living Learning Community (LLC) offers **students from any major and any year** a chance to expand their knowledge of data analytics in a collaborative environment. Members live together in the same residential hall, engaging in both academic and social events. Through a foundational course (taken your first semester in Impact) and networking opportunities with Virginia Tech alumni, professors, and industry professionals, students will tackle real-world data challenges and build valuable connections and knowledge.

WHY IMPACT???

- Network with Virginia Tech alumni, professors, and industry professionals.
- Live and interact with fellow students interested in data analytics through academic and social events
- Gain leadership experience
