

# Virginia Tech SEED

SEED stands as one of the largest student-managed equity investment portfolios in the nation, with over \$5 million invested in the stock market. Fueled by the ambitious goal of outperforming the S&P 500 Index, SEED provides students with a unique blend of hands-on experience coupled with an exceptional training program. Over the group's 30-year history, the organization has held 100% placement and provided students with the skills to cultivate successful and fulfilling careers.
