MSTR: MATH EDUCATION

[math + 6-12 teaching prep]

5 year M.A.Ed. program

- history of math
- math tutoring
- college geometry

TRADITIONAL

[flexible advanced courses]

Menu

4000-level math

- Real Analysis
- Abstract Algebra
- Linear Algebra
- Differential Eqns
- Complex Analysis

Menu

interdisciplinary applications

- Economics
- Statistics
- Physics
- Engineering
- Finance
